Mr. Norman S. Smith,
East Chelmsford, Mass.

Dear Sir:

Responding to your letter of the 13th, the "American Journal of Numismatics" is no longer published. The only regular numismatic periodical in this country, is "The Numismatist," of which Mr. F. G. Duffield, 4215 Fernhill Avenue, Baltimore, Md., is the editor. The subscription is \$2.00 per year.

The publications of our Society consist of "Numismatic Notes and Monographs", which do not appear regularly, but in the number of four or five during the year. These are sent to members as a return of membership dues of \$5.00 annually. If you care to consider becoming a member of the Society, I should be very glad to have you sign the accompanying application card, which can then be presented at the next meeting of our Council early in February.

Very truly yours,

Secretary
